OUR MISSION

Pie.casso is more than a pizzeria. It's a pact with our community to provide a refuge from the norm. Our attention to the "little things", our Sicilian heritage, and our commitment to artisan pizza. Our creative Italian menu sets us apart as the area's Restaurant of Choice. Like Pablo Picasso himself, we value ambience & vibe & deliver it through colors that soothe, flavors that move, & music that grooves.

As a family business, we value children, providing them with areas for play & peace. We provide a variety of ways to enjoy our hospitality including take out, dine in, delivery & dining al fresco. Our bar is a friend who always wants company, reserving the right to mix it up with live music or even Karaoke. Our produce & meats are from local farms & ranches, whenever possible.

And, yes...we make GREAT pizza!
